

### **EGF Interactive Exhibition Receives Award for Excellence in Communication**

The 'Waste Management in Movement – A Virtual Journey' Road show promoted by EGF (Empresa Geral do Fomento), and conceived by YDreams, received the 2009 Excellence in Communication award in the 'Special Events' category.

The prizes, attributed annually by the Portuguese Corporate Communication Association, were awarded on May 25th at the Portuguese Vodafone HQ auditorium. Their aim is to distinguish the most notable corporate communication projects in Portugal.

YDreams conceived all of the itinerant exhibition's interactive components, technology and design.
